Anyone born after January 1, 1989, must have a Boater Safety Certificate with them to operate a boat in Wisconsin, and to rent a boat from us. Must be 21 or older to rent or operate our boats. No fee to dock your own boat if you are staying with us - just let us know so we can plan for dock space. Please clean your boat per DNR rules, including removal of all weeds, before arrival to avoid the spread of invasive species. \*\*Boat rates include one tank of gas – gas after first tank is extra. Daily rate is per day, regardless of how many hours you use the boat that day. All rentals must be back by sunset everyday. A major credit card and a signed boat rental agreement are required.

**Guides** - We have many excellent guides available with advance notice. Payments and reservations are made directly with the guide, but we are happy to make recommendations. We suggest that you book your guide when you make your reservation. **Packing** – We are very informal. We will include a suggested packing list of other items with your reservation confirmation. **Bait** is available in the surrounding towns.. **We strongly promote CPR (catch, photo and release) for all other fish.**

**Your Guests and Quiet Times** – Only guests staying at the resort will be allowed on the resort property. Out of respect to all of our guests, we request quiet between 10:00 p.m. and 8:00 a.m.

**Methods of Payment** – Cash, traveler's checks, personal checks. Credit cards are accepted with an additional charge.

**Arrival & Departure Times:** Arrival **4:00** p.m. or later. Depart by **9:30** a.m. or before. Please observe these times; we need time to get the cabins, resort, and staff ready for you and the other guests. An additional one day rate will be added for guests who do not observe this policy. Yes, this applies to everyone!
